

Entry and Exit to School for Parents – Please note carefully

- **Parents will not be allowed inside the school premises, unless they are supporting a Student of Determination.**
- The main school entrance only is used for entering the school and the side entrance only is used for exiting the school
- Exceptions can be made to allow **one parent** to accompany a **new FS2 or Year 1** child to their class, if needed. However, **the parent will need to have a negative COVID-19 test result with 72 hours validity in order to enter school.**
 - This is subject to change as the situation develops. We will keep you updated.
- **Only one parent/guardian can accompany children outside the entrance to the school.**
 - If parents accompany a child as they stand in the queue, they must wear a mask.
 - Non-contact temperature screening will take place when entering the school.
- Students will queue outside the school to enter, maintaining a 1.5m distance from other families/students.
- The school has staggered entry and exit times for students to avoid large queues and crowding (please see below)
- During this period, all adults will be required to maintain a 2m distance from other people.
